HOW THE MONEY GOES

Phenomenal Increase County Expenses.

Treasury Surplus.

Lining the Pockets of a Select Few at the Expense of the Tax-Payers.

From the Buckeye Blade.

In this issue we will show to the taxpayers of Maricopa County where an-

visors on December 3, 1888, consisting friend Hughes' pockets. It is to be of J. B. Montgomery, H. H. Linville presumed that Landlord Hughes, like and Neils Peterson, the cier's of the most landlords, tries to hold his Board was ordered to advertise for scaled proposals for the various county contracts. The two relating to the County Hospital we give, vis.: "For keeping the County Hospital and Poorhouse county has settled the bills. The

"For medical treatment to the inmates of the County Hospital and jail to do a thriving business before the and the Indigent within the city limits of Phoenix, and furnishing the necessary medicine to same, for 1889."

Bids for the above proposals were required to be made by different individuals in accordance with law. On December 17, 1888, the Board met for the purpose of opening the proposals and awarding the contracts for 1889. When those relating to the medical When those relating to the hospital treatment of inmates of the hospital and indigent of Phonix were opened the execut hids were as follows: "Dr. H. A. Hughes, \$175; Dr. T. D. McGlassen, \$675; Dr. R. L. Rosson, \$958; Dr.
 R. E. Lightburn, \$1872." The contract was therefore awarded to Dr. Hughes for 1880, for \$175. The Board required of him a bond of \$1000. The Indian near Tempe on Friday afterproposals for feeding the inmates of the noon. hospital and caring for the grounds, etc., were rejected by the Board. This was the last business meeting of the Board which comprised Messrs. Mont-gomery, Linville and Peterson.

Slankard were appointed as a com-mittee for the purpose of employing the necessary attendants for the County Hospital and Poorhouse, and procur-ing supplies and provisions for the same with full authorities. same, with full authority to act in the matter." At the next meeting of the Board, on January 15, Dr. Hughes was appointed County Physician for Maricopa county at a salary of \$90 per month. J. R. Morse, a brother-in-law of Chairman Hakes, was employed to take charge of the hospital and poorhouse, at a salary of \$100 per month, the county furnishing all the necessaries for county furnishing all the necessaries for the institution.

We have led our readers this far, and we now ask them to draw their own conclusions and decide if the combine is of recent formation. From the facts prefunds long before the Board of Supervisors was ushered into power. With that end in view, it looks as if the combine was formed at the election of 1888. To further substantiate this view of the knowing that the new Board would be in the arms of the victim. power in two weeks, he could then dic-The scheme worked as admirably as the counting of the block of "52" recently. The new Board did not call on Hughes for his bond, but simply hired him at a salary of \$1080 per year for service which he bid \$175 to perform. What authority had the Board to do this? which he bid \$175 to perform. What authority had the Board to do this? When Dr. Hughes refused to furnish his bond, why did not the Board advertise at work upon the case. for bids again? Or, why did they not award it to Dr. McGlasson, the next lowest bidder, at \$675, or to Dr. Rosson lowest bidder, at \$675, or to Dr. Rosson at \$958? Why was Dr. Hughes—who repudiated his own bid—sought tor above other physicians by the Board and hired at \$1080 per annum. Was place at the Opera House, resulted in a

brother professionals, sufficient to bebar him in the eys of all, from holding such a public trust?

We now turn to the hiring of J. R. Morse for \$1200 per annum for attending poorhouse and grounds. The county furnished him provisions for himself and family and other visitors. An additional expense of \$1082.55 was incurred in providing two rooms for the accommodation of this man's family. It accommodation of this man's family. It is well known that Minister Hakes has a furnished room in the building. The whole expense to the county for maintaining the County Hospital, medical attendance, provisions, etc., for 1889, amounted to over \$5500, and with the \$1032.55 expended in extra apartments for the use of Morse and Hakes, makes a total of over \$6500 for 1889. Compare this expenditure of one year with that of 1888, under a previous administration, and we gain a clue as to where the money goes. Dr. J. E. Wharton had the contract for keeping the Hospital grounds, the inmates of the County Hospital, attendance, medicines, etc., for 1888, for \$1760. S. H. Woods had a like contract for 1887, for \$2350.

The question may be asked, had the number of unfortunates and indigents grown so excessively large in one year grown so excessively large in one year in our county as to necessitate this expenditure? Certainly not! If the Board of Supervisors had accepted Dr. McGlassen's bid of \$675 for medical attendance at the County Hospital, jail and the indigent of Phoenix, and S. G. Wilson's bid of \$1185, which was rejected, for caring for hospital, the inmates therein and the hospital grounds, the total cost to the county would be the total cost to the county would be only \$1860, or \$100 more than the

previous year of 1888. We now turn to the awarding of contracts for 1890. Dr. Hughes bid "\$1.50 Legal : or : Job : Printing per day for maintaining and treating each inmate confined in the County Hospital and poorhouse." "For treatment and medicines to prisoners in the County Jail and indigent sick in the City of :- Republican Job Office. -:

At a meeting of the Board on January 31, 1890, Dr. Hughes ap-peared before that body and asked per-mission to reduce his bid, which was granted, resulting in \$1.35 per day, instead of \$1.50, for maintaining and treating inmates of the County Hospital and Getting Away With the poorhouse, etc., and \$800 per annum, instead of \$1200, for treatment and medicine to prisoners in the County Jail and the indigent sick in the City of Phonix, and examining insane persons who might come before the Probate Court." The Board of Supervisors then awarded the contracts to Dr. Hughes for 1890 at the bids as reduced.

Our readers can see into the hollow-

ness of these bids in attempting to comply with the law. The hospital and poor-house are turned into a hotel by the Board of Supervisors, for the purpose of assisting Political Striker Hughes and J. other fraud has been committed by our R. In exposing this fraud it is not our intention to abuse those men in charge of county affairs for political purposes. The facts and figures we present are from the minutes of the Board of Supervisors, which we always open to the public.
